Work Assignment No. 22

Dear Dr. Thompson:

Enclosed are two copies of JRB's Consulting Agreement with you and one set of Exhibits B and C. Please sign and date both copies of the Agreement and return them to me. A fully executed Agreement will then be returned to you. Retain Exhibits B and C for your files.

Please note that you are not authorized to provide in excess of 216 hours and/or expend more than \$11,950. Although Mr. Richard Emory is specified as the EPA Case Attorney, I believe your dealings will be with Michael Kosakowski. Also, if EPA requests you to perform services beyond April 1982 (within scope of work, allotted hours, and cost ceiling), please call me. Your Consulting Agreement allows you to work until September 25, 1982 (the overall contract end-date) and I would just have to request a modification from EPA since they indicated an earlier end date.

If there are any questions, please call me at (703) 821-4766. Invoices are included for your use.

Sincerely,

Valerie H. Adamson  
Project Manager
